CIVILIAN RESERVE PROGRAM

1. In view of the limited interest in the Agency's Civilian Reserve program outside the Clandestine Service, a decision has been reached to discontinue the centralized program outlined in 

25X1A

2. A Clandestine Service Reserve will be established and maintained in the Office of the Deputy Director for Plans. It is anticipated that a number of those reservists currently enrolled in the Agency Reserve program will be invited by the Deputy Director for Plans to participate in that program. Those not required for the Clandestine Service Reserve will be advised by the Office of Personnel that the Agency program has been discontinued.

1. The recommendation that the DD/P be given the responsibility of continuing the Civilian Reserve program for those ex-employees of the Clandestine Service whom he may wish to enroll and that the Office of Personnel be authorized to discontinue the remainder of the program was approved by the Executive Director-Comptroller on 13 March 1972.

2. Your comments and/or concurrence are requested on the attached draft of a notice announcing that decision. We would like to discontinue input into the program soonest but believe that an official announcement should be made first.
